- Norman Wright Co. @ Ali Babba & Russo
- Performance Parts @ 432 South Boulder Highway
- Plant World @ Tropicana & Maryland Parkway
- Thomas & Mack @ Range & El Campo Grande
- Valley Bank @ Sunset Gardens

"THAT'S WHAT WE DO!"

"Sensible" Solutions...

"**Timeliness**" and "**Budget**" are the critical watchwords in the provision of environmental management services for "Commercial and/or Residential" developments. CivilWorksInc³ focuses on these watchwords when providing environmental engineering services for the preparation and delivery of **Phase I** Environmental Site Assessments.

"**Timeliness**", to us, means "**Getting it Done Now**"! For our clients this means within (01) week of authorization, you are delivered a finished product.

"**Budget**", by our definition, means choosing the most cost effective approach for Phase I Investigations, Phase II Assessment, Corrective Action, and Remediation Activities.

CivilWorksInc³ provides for positive review, research, and analysis of the Client's project to insure the maximum value for the least cost. **Fast & In-expensive. . . "Sensible" Solutions!**

Site reconnaissance investigation for "McDonald's" located at Sunset Road and Boulder Highway in Henderson, Nevada.

Site reconnaissance investigation for Jack-in-the-Box located at Horizon Ridge and Stephanie Street in Las Vegas, Nevada.

Tailored to your "Specific" needs..

Relentless in his pursuit of "**Total Client Satisfaction**", Tyler's clients have come to depend upon him as though part of their own staff. He works closely with the client, the client's staff, and CivilWorksInc³ project managers to assure the client's needs are communicated, thoroughly understood, and met.

Environmental soil testing for a Thomas & Mack Development site, located at Range & El Campo Grande.

CivilWorksInc³ understands "**Commercial/Residential**" developments, and their "**Phase I**" needs, and has the energy and dedication to help you and your project succeed. . . "**On Time, On Budget, On Purpose**"!
